

Each year, each quarter, each day provides another opportunity for your organization to improve. What changes could you implement today to enhance performance? Could you be doing more to ensure you stay ahead of the competition? Do you have the right plans and processes in place to achieve your goals?

Let's work together to take your organization to the next level of success.

EDSI Can Help:

At EDSI Consulting, our spectrum of operational improvement services ranges from simply refining a process through restructuring an entire operation. Our team can assist or lead your efforts in the following areas:

– WE ARE YOUR BOOTS ON THE GROUND –

- Process Re-engineering / Value Stream Mapping
- Operational Turnarounds
- 5S Design and Implementation
- Kaizen Program Implementation
- Set-up Reduction Programs – SMED
- Six Sigma Implementation
- Theory of Constraints
- Materials Management and Kanban Systems
- Plant Restructuring
- World Class Training and Implementation
- Shop Floor Visual Systems and Management Dashboards
- Interim Management
- Board of Directors Membership
- Apprenticeship Program Development and Implementation
- Lean Enterprise
- Single Piece Flow

What Can You Expect From Us?

Experience

We bring experience, knowledge, leadership and insight at all levels. Our talented and passionate team of professionals provides essential perspective and capabilities to your team.

Direction

We work with you to develop the best course of action, recognizing that making the right decision is not always easy. We look at every situation through your eyes, allowing us to understand your needs and tailor custom solutions.

Process

Our process outlines where you have been, where you are and where you need to be. We're poised to anticipate and respond to your unique needs and the current and emerging business requirements.

Implementation

We stay with you every step of the way, focused on protecting and creating value through understanding, creativity and a commitment to producing measurable results.

Transition

We know the only thing that is constant is change. EDSI is your partner in managing transition.
