

“ We feel extremely grateful to be recognized as a great place to work. I thank our team members for living our values of Show Up, Smile and Support on a daily basis and the recognizing organizations for promoting companies who work hard to do great work and provide a supportive work environment.”

-Casey White, EDSI Director of Marketing

Detroit Free Press Top Workplaces National Standard

EDSI was recognized as a Detroit Free Press Top Workplaces 2016 National Standard Award winner.

Detroit Free Press has recognized 135 Companies and Organizations in Michigan as Top Workplaces 2016. These companies have been recognized as Top Workplaces based solely on surveys about the workplace completed by their employees.

Top Workplaces are not only better places to work but are more likely to be successful than peer organizations.

Crain's Cool Places to Work

EDSI was recently selected as one of the 2016 Cool Places to Work in Michigan. The annual list of “Cool Places to Work” was created by Crain’s Detroit Business and Best Companies Group.

This survey and award program was designed to identify, recognize and honor the best places of employment in Michigan, benefiting the state’s economy, its work force and businesses.

Best and Brightest Companies to Work For® - Elite Award Winner for Diversity and Inclusion

EDSI was honored to be named an Elite Winner for Diversity and Inclusion – one of the Metropolitan Detroit’s Best and Brightest® Companies to Work For 2016.

This award identifies and honors organizations that display a commitment to excellence in their human resource practices and employee enrichment. Organizations are assessed based on categories such as communication, work-life balance, employee education, diversity, recognition, retention and more.

EDSI was further honored as a Best and Brightest® Companies to Work For In The Nation for 2016!

Michigan Best and Brightest Sustainable Companies®

EDSI was once again named a Best and Brightest Sustainable Companies® award winner.

This award recognizes organizations that exhibit leadership and innovation in their green and sustainability approaches.
